

This card represents a life-changing gift made on your behalf!

A donation has been made to FH Canada in your name to provide **school supplies** to a family in a developing community. Reading, writing and arithmetic are basic components of a child's education. School supplies are just as important! Many kids in developing countries don't have the luxury of textbooks, notebooks or pencils. This gift buys school supplies for five children to enrich their education.

Want to follow the impact of your gift all year long? Like us on Facebook ([poverty.revolution](https://www.facebook.com/poverty.revolution)) or visit www.povertyrevolution.org.
