A LIFE-CHANGING GIFT is being made ON YOUR BEHALF!

A dairy cow produces milk for children to drink, manure to increase a farmer’s harvest, and income through selling dairy products and calves. This gift contributes to the purchase of a dairy cow and helps provide the training a farmer needs to make her cow thrive! The recipient will pay-it-forward by giving her first calf to another family in need.

FOLLOW THE IMPACT OF YOUR GIFT ALL YEAR LONG!
