A LIFE-CHANGING GIFT
is being made
ON YOUR BEHALF!

This “fart furnace” turns cow pies into cow power! It helps set up a biogas system that transforms manure into clean energy to power the lights and cookstove in a farmer’s house. One load generates up to six hours of cooking fuel and four hours of light! Using biogas saves trees and stops families from breathing toxic smoke.

Cooking With Gas

FOLLOW THE IMPACT OF YOUR GIFT ALL YEAR LONG!

You’re brilliant!

FOOD FOR THE HUNGRY
It’s about thriving communities.

Food for the Hungry (FH) Canada is dedicated to sustainable development by walking alongside community and family leaders to help them overcome poverty and reach self-sufficiency. You are making a real difference through your involvement in this much bigger picture!

Discover how Child Sponsorship, Gift Guide items, partnerships, Boot Camps, and more are changing lives in Canada around the world.
